

Cystic Fibrosis: The Facts

- Cystic Fibrosis (CF) is the number one genetic disease of children and young adults in the U.S.
- One in 29 Americans are symptomless carriers of the defective CF gene.
- Every day, approximately three babies are born with CF in this country.
- CF claims the life of at least one person every 24 hours.
- With 90 cents on the dollar being invested in vital CF programs, the CF Foundation is an organization that is making a difference.
- The Cystic Fibrosis Foundation (CFF) works to fund research to find a cure and improve the lives of those with CF.
- CFF was recently ranked among the nation's Top Ten "Best In The Business," in *SmartMoney*, the magazine of *The Wall Street Journal*.
