

Since we've come together as a new board, we've heard a number of concerns from parents about their previous experiences on the baseball side of DAAA. The concerns we've heard the most are:

1. A lack of t-ball.
2. A lack of quality coaching for all teams.
3. Too many Dover teams that are not competitive within their divisions.
4. A lack of communication from the board to the parents.

**In order to address these concerns, we have decided to transition to Little League during the upcoming 2017-18 season. This change will only be made for baseball players, softball will not be making a change at this time.**

The board believes changing to Little League will address 3 of the main concerns above. Little League has T-Ball for a solid foundation for our boys. Little League mandates the training of coaches and this will be paid for by the board. It provides a foundation to build upon to create quality coaching and a fun but competitive atmosphere for our organization. The basic structure of Little League is built to allow players to learn and have fun all season. This will translate into a more competitive all-star team at the end of each season.

**To learn more information about this change, please attend our upcoming meeting on Wednesday November 8th.**

Thank you,  
DAAA Board
